Student Ministry Trip Application for Volunteers

Thanks for your interest in volunteering for this trip! We couldn't do it without volunteers like you! Please know that filling out this application does not guarantee your participation for this trip. Our volunteer needs depend heavily on student registration. Volunteers will be selected based on their current involvement in student ministry and on the trip's needs. You will be contacted as soon as those needs are confirmed after the final registration deadline. If you're selected, your only cost will be meals while traveling.

Are you a parent helper? yes no

If yes, do you have a child going on this trip? yes no

(We suggest that parents not be paired directly with their student. This allows students to step out of their comfort zone, get to know new kids and not be "clingy" to their parent. Being with other adults allows a student to experience the trip fully. Because of our needs, it is never guaranteed that a parent will be with their child.)
